

HD+ PREMIUM CONDENSERS

Better by Design. Engineered for Life.

With 45 years of experience in heat transfer, you can count on American Cooling Solutions for the best AC Condenser for your application.

Parallel Flow

- Highly efficient and **ideal for all new modern refrigerants.**
- Multiple micro-tubes to **maximize heat transfer.**
- Built to be **direct bolt-in replacements.**

Tube & Fin

- Our tube and fin condensers are produced with the **strongest construction** and maintain **high thermal transfer efficiency.**
- **HD+ USA+** condensers use **thermal conductive** steel tube for refrigerant line.
- Robust construction is **ideal for off-road applications** such as agriculture, industrial and mining.
- Our round tube design provides flexibility, strength and **increased life cycle.**

American Cooling Solutions heavy duty truck AC condensers are engineered and built to out last and out perform any other condenser on the market Today. Each condenser is factory tested prior to being packaged in a custom engineered shipping box. All American Cooling Solutions HD+ condensers are covered by a **2 Year Limited Warranty!**

For more information and pricing, give us a call or drop us a note.
